PEACE RIVER AREA MONITORING PROGRAM

Monitoring odours, emissions and air quality to ensure a healthy environment in the Peace River area

Questions? Comments? We'd love to hear from you: www.prampairshed.ca

What We Do

We monitor hydrocarbons, sulphur gases and volatile organic compounds (VOCs).

We capture samples of air for detailed analysis.

We support meteorological measurements.

We work together with the community, industry and government.

We provide information to reduce odours and emissions in the Peace River area.

PRAMP Area includes Three Creeks, Reno, Seal and Walrus regions.
