

We monitor hydrocarbons, sulphur gases and volatile organic compounds (VOCs).

We provide data for the Air Quality Health Index.

We work together with the community, industry and government.

We capture samples of air for detailed analysis.

We provide information to reduce odours and emissions in the Peace River area.

## WHAT WE DO

## AIR QUALITY HEALTH INDEX (AQHI)

Learn what the air quality around you means to your health

Visit [prampairshed.ca](http://prampairshed.ca) for more information or download the AQHI Canada app
