Good afternoon Jessica

This is the RENO station from which I puled 32212.

Yes you got both in quick succession.

Regards

Reid

Subject: Samples arrived, need a location

Good morning Reid,

We received samples from you this morning, and one of the COCs didn't have a location checked off. Could you please let me know if this sample is 842, 986, or Reno station? Sample COC is attached.

I did get a second sample, and it is Reno Station.

Thanks,

Jessica
