Elvis Thomas	Gov	Woodland Cree	Director

***These notes are provided as a summary of discussions of the PRAMP Committee. The views and ideas noted do not necessarily reflect the perspective of each Committee member. Decisions are taken by consensus.***

**1.1 Roll Call for Quorum**

Meeting called to order at 10:06 am by Doug Dallyn.

**1.2 Approve Agenda**

*The Agenda was posted to the PRAMP Members' Portal prior to the meeting.*

**Motion to approve the Agenda by Anthony Traverse.**

**1.3 Approval of Minutes**

*The January 24, 2020 Minutes were posted to the Members' Portal prior to the meeting.  
No changes to the Minutes were noted.*

**Motion to approve the January 24, 2020 Minutes by Corinna Williams.**

**1.4 COVID-19**

- A COVID-19 Response Plan was provided to the Board prior to the meeting
- Most of our work is already done remotely
- There may be a delay in the deployment of the Reno station
- We confirmed with Bureau Veritas and Innotech that there should not be any change in services
- Deployment of Purple Airs may be delayed but that is not a core service
- We are concerned about a delay in payments from AEP but have been assured that it is business as usual and they will advise if there is a change.
- Our education and outreach will change as we can no longer meet with schools or community groups, so we are looking at other options to deliver services

**Technical Working Group Update**

**2.1 PRAMP Data Reports**

December Dashboard

- December was the last month precipitation data was reported; it will be reported again starting in May or June
- The January report will be posted to the website shortly

**2.2 Station Updates**

Methane Canister Program

- Two canisters in January and two in February at the Reno station; both methane triggered

Moving the Reno Station

- Have identified a couple of sites, need to reach out to some landowners in the area to move forward

Purple Air Deployment

- Purple Air will be delayed

AEP Audit

All four stations have been audited by AEP. There were no failures, there were a couple minor documentation issues that will be addressed. PRAMP staff are very pleased with the audit results.

**Engagement, Outreach and Education**

**3.1 Outreach Updates**

- All the events that were planned for late March and April have been cancelled or postponed.
- PRAMP staff attended the annual BC Lung Association Air Quality Workshop in Vancouver in February
- The local radio station will be announcing the AQHI over the noon hour

## Financial Update

### 4.1 AEP Oilsands Contract

- The PRAMP 4-year contract is in place is up to March 31, 2023. Our workplan for year 2 has been submitted and we are now waiting for confirmation for year two (2020-21)
- We anticipate that our workplan will be approved since we did not change our budget
- We will continue to submit invoices and expect to have them paid as we have a contract in place, even if we do not hear back immediately if the workplan has been approved
- We may be underbudget for 2019-20

### 4.2 Education and Outreach Grant

- Our current grant will end on March 31, 2020. With the number of cancelations and postponements, we would like to request an extension.

**Motion to request an extension of the grant as needed by Garrett Tomlinson.**

### 4.3 Financial Reports

- We will defer the approval of December and January financial reports to the next meeting.

## Update from Executive Director

### 5.1 Alberta Airsheds Council

- The Airsheds Council remains active and has changed the budget structure as it does not receive funding from AEP.
- The AAC has requested increasing the membership fees to \$2000 per year to support the development of communication and outreach materials, and to cover the AAC's limited administration costs
- Karla would like PRAMP to support the AAC with an offer of the PRAMP tele-conference line
- Karla would like support from the Board to continue with her role on the AAC Executive
- We will find a way to record the Airsheds Council Membership fees in our budget without it being a separate line item.

**Motion to approve the increased membership fees by Garrett Tomlinson; second by Corinna Williams. No blocks.**

**Motion to support Karla as the AAC Executive and for PRAMP to offer the PRAMP conference line to the AAC by Garrett Tomlinson; second by Corinna Williams. No blocks**

### 5.2 Boundaries

- Presented to the MD of Smoky River, the Big Lake County Council and the Smoky River Regional Committee; no concerns were raised but a formal decision will be coming from Big Lakes County
- Karla will also reach out to the MD of Peace to share the proposed boundaries

### 5.3 Contracts

- Bureau Veritas – we are waiting for BV to execute a new contract; it will be year by year to align with the PRAMP contract with AEP
- PRAMP staff contracts are all in place for 2020
- We continue to work on a contract with CNRL for the PRC station

## Next Meetings

- May 14<sup>th</sup> by tele-conference or video.

## Roundtable

Lily – starting to prepare the Annual Technical Report for 2019; if there is anything anyone wants to have included that is different from previous reports, please let Mike and Lily know  
 Laurie – thanks to Mike and Lily for providing the canister samples for analysis; will be looking at the PRAMP data set to see if there is are any health planning implications

Meeting to go in camera at 11:12 am by Doug Dallyn. (all Directors in attendance at meeting reconvened for in camera session)

**Motion to extend the Executive Director contract with Karla Reesor to March 31, 2021 with an approximate 3% increase in the monthly fee starting April 1, 2020 by Corinna Williams; seconded by Garrett Tomlinson. Carried.**

**Motion to direct administration to work with the accountant and lawyer to prepare a final settlement, including a release, for the Field Operations Assistant by Garrett Tomlinson; second by Andy Trudeau. Carried.**

**Motion to come out of camera at 11:45 am by Krista Park.**

## Adjournment

Meeting adjourned at 11:59 by Krista Park.
