Oops they should both be June 30.

Good morning Dwayne,

I've found a small mismatch or typo on one of COCs that arrived this morning. For the following samples:

Canister 29032, NMHC Trigger, June 29 @16:50. And the associated blank canister, 28968.

For #29032, you've written RAMP_Reno-2021/06/30. However, the blank canister is -2021/06/29.

Should these both be 2021/06/29 or /30?

Thanks!

Jessica
