PEACE RIVER AREA MONITORING PROGRAM

Visit our website for air quality data and free air quality learning materials and resources. prampairshed.ca

**Vermicomposting with
Red Wigglers**

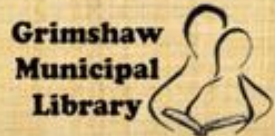

THANK YOU

**That was another SUPER
National Hot Dog Day!
We had just under 240 people,
who enjoyed 270 hotdogs,
and over 150 cones of cotton candy!**

Special thanks to everyone who participated in our Top the Dog plinko game—it was a great start to the information gathering for our Plan of Service. Look for more fun ways to have your say at future library and community events.
